

# Data Security and Privacy Policy

Nuasin Next Generation Charter School

---

The Board of Trustees (the “Board”) of Nuasin Next Generation Charter School adopts this Data Security and Privacy Policy to implement the requirements of New York Education Law Section 2-d and the Part 121 Regulations of the New York State Education Commissioner. This Policy aligns with the National Institute for Standards and Technology Framework for Improving Critical Infrastructure Cybersecurity (Version 1.1) (NIST CSF), which the New York State Education Department (NYSED) has adopted as the standard for data security and privacy for educational agencies, such as the School.

Nuasin Next Generation Charter School is subject to and complies with Federal laws governing student data privacy, including but not limited to the Family Educational Rights and Privacy Act (FERPA) and the Individuals with Disabilities Education Act (IDEA), along with their implementing regulations. New York Education Law Section 2-d and the Part 121 Regulations of the Commissioner strengthen these existing protections over students' personally identifiable information and safeguard certain personally identifiable information of classroom teachers and principals.

Nuasin Next Generation Charter School is committed to protecting personally identifiable information from unauthorized use or disclosure, as required by and in compliance with the law.

---

## **A. Policy Statement**

Nuasin Next Generation Charter School will not sell personally identifiable information nor use or disclose it for any marketing or commercial purpose or facilitate its use or disclosure by any other party for any marketing or commercial purpose or permit another party to do so.

Nuasin Next Generation Charter School will take steps to minimize its collection, processing, and transmission of personally identifiable information.

This Data Security and Privacy Policy includes all of the protections afforded to parents/guardians or eligible students, as applicable, under FERPA, IDEA and the Federal regulations implementing those statutes.

## **B. Data Security and Privacy Standard**

Nuasin Next Generation Charter School utilizes NIST CSF as the standard for data security and privacy at Nuasin Next Generation Charter School.

## **C. Parents' Bill of Rights for Data Privacy and Security**

Nuasin Next Generation Charter School has adopted a Parents' Bill of Rights for Data Privacy and Security (Parents' Bill of Rights), which can be found here: [\[link to Parents Bill of Rights on website\]](#).

#### **D. Data Protection Officer**

Nuasin Next Generation Charter School has designated the Managing Director of Operations to serve as Nuasin Next Generation Charter School's Data Protection Officer (DPO). The DPO is responsible for the implementation and oversight of this Policy and any related policies and procedures and will serve as the main point of contact for data security and privacy at Nuasin Next Generation Charter School.

The contact information for the DPO is as follows: [melissa.alston@nngcs.org](mailto:melissa.alston@nngcs.org)

#### **E. Data Privacy Protections**

Nuasin Next Generation Charter School has established a data governance team, led by the DPO, which will manage the use of Nuasin Next Generation Charter School's data that is protected by law. The DPO and the data governance team will determine whether a proposed use of personally identifiable information would benefit students and Nuasin Next Generation Charter School – e.g., improve academic achievement, empower parents and students with information, and/or advance efficient and effective school operations – and will ensure that personally identifiable information is not included in public reports or other public documents.

#### **F. Agreements with Third-Party Contractors**

Nuasin Next Generation Charter School will ensure that its written agreements with third-party contractors who will receive student and/or teacher/principal personally identifiable information include provisions that require the confidentiality of personally identifiable information in accordance with Federal and State laws and regulations and this Policy. Alternatively, Nuasin Next Generation Charter School will require third-party contractors to sign a separate data sharing and confidentiality agreement containing such provisions.

Additionally, Nuasin Next Generation Charter School will ensure that its agreements with third-party contractors include:

- Nuasin Next Generation Charter School's Parents' Bill of Rights for Data Privacy and Security;
- Supplemental Information to Parents' Bill of Rights (this information is available here: [\[link\]](#)); and
- The third-party contractor's Data Privacy and Security Plan that is accepted by Nuasin Next Generation Charter School and must outline how the third-party contractor will ensure that the confidentiality of Nuasin Next Generation Charter School's data is maintained in accordance with Federal and State laws and regulations and this Policy.

## **G. Right of Parents/Guardians and Eligible Students to Inspect and Review Student Education Records or Request Amendments**

Nuasin Next Generation Charter School's 2020-2021 annual FERPA Notification of Rights, which sets forth the rights of parents/guardians and eligible students to inspect and review student education records and request amendments, can be found here: [\[link\]](#).

All requests to inspect and review education records must be made in writing and addressed to Nuasin Next Generation Charter School, as set forth in the FERPA Notification of Rights, and not to any third party contractor.

Nuasin Next Generation Charter School shall ensure that only authorized individuals are able to inspect and review student data. To that end, Nuasin Next Generation Charter School shall take steps to verify the identity of parents/guardians and eligible students who submit requests to inspect and review education records and verify the individual's authority to do so.

If the parent/guardian or eligible student consents, Nuasin Next Generation Charter School may provide requested records electronically. Nuasin Next Generation Charter School will transmit the personally identifiable information in a way that complies with Federal and State laws and regulations. Nuasin Next Generation Charter School will put in place safeguards associated with industry standards and best practices, including but not limited to encryption and password protection when education records requested by a parent/guardian or eligible student are electronically transmitted.

## **H. Complaint Procedures**

Parents/guardians, eligible students, teachers, principals, or other staff have the right to submit complaints about any breach or unauthorized release of personally identifiable information in accordance with the following procedures:

1. All complaints must be submitted to the DPO in writing, utilizing a complaint form available here: [\[link\]](#).
2. Upon receipt of a complaint, the DPO will promptly acknowledge receipt of the complaint, commence an investigation, and take precautions to protect personally identifiable information.
3. Nuasin Next Generation Charter School will provide the complainant with its findings within a reasonable time period but no more than sixty (60) calendar days from the receipt of the complaint by Nuasin Next Generation Charter School.
4. If Nuasin Next Generation Charter School requires additional time, or where the response may compromise security or impede a law enforcement investigation, Nuasin Next Generation Charter School will provide the complainant with a written explanation that includes the approximate date when Nuasin Next Generation Charter School anticipates that it will respond to the complaint.

Nuasin Next Generation Charter School will maintain a record of all complaints of breaches or unauthorized releases of student data and their disposition in accordance with applicable data retention policies.

## **I. Reports and Notifications of Breach or Unauthorized Release**

### Report to NYSED's Chief Privacy Officer

The DPO will report every discovery or report of a breach or unauthorized release of personally identifiable information, including the receipt of notification of such breach or unauthorized release from a third-party contractor, to NYSED's Chief Privacy Officer without unreasonable delay but no more than ten (10) calendar days after such discovery, report or notification.

### Notification to Affected Person(s) of a Breach or Unauthorized Release

The DPO will notify affected parents/guardians, eligible students, teachers, and/or principals in the most expedient way possible and without unreasonable delay, but no more than sixty (60) calendar days after the discovery or report of a breach or unauthorized release of personally identifiable information unless that notification would interfere with an ongoing investigation by law enforcement or cause further disclosure of personally identifiable information by disclosing an unfixed security vulnerability. Where notification is delayed under these circumstances, Nuasin Next Generation Charter School shall notify parents, eligible students, teachers, and/or principals within seven (7) calendar days after the security vulnerability has been remedied or the risk of interference with the law enforcement investigation ends.

The notice shall be provided directly to the affected parent, eligible student, teacher or principal by:

- first-class mail,
- email, or
- telephone.

The notice shall be clear, concise, use language that is plain and easy to understand, and to the extent available, include

- a brief description of the breach or unauthorized release,
- the dates of the incident,
- the date of discovery, if known,
- a description of the types of personally identifiable information affected,
- an estimate of the number of records affected,
- a brief description of Nuasin Next Generation Charter School's investigation or plan to investigate, and
- contact information for representatives who can assist parents or eligible students that have additional questions.

The DPO will report annually to the Board of Trustees the number and disposition of reported breaches if any, and a summary of any complaints submitted pursuant to this Policy.

**J. Annual Data Privacy and Security Awareness Training**

Nuasin Next Generation Charter School will annually provide data privacy and security awareness training to its officers and employees with access to personally identifiable information. This training will include, but not be limited to, training on the State and Federal laws that protect personally identifiable information and how employees can comply with these laws and regulations.

**K. Distribution of Policy and Notice to Officers and Employees**

Nuasin Next Generation Charter School will publish this Data Security and Privacy Policy on its website and provide notice of the Policy to all of its officers and employees.
