POLICY ON PROCEDURE FOR PUBLIC COMMENTS AT BOARD MEETINGS

The Board of Trustees of Nuasin Next Generation Charter School desires to provide the general public with an opportunity at each Board meeting to address the Board regarding issues they may wish to bring to the Board's attention. In order to facilitate a reasonable, orderly process for holding a public comment period, the Board sets forth the following procedure to be observed at each Board meeting:

- An individual wishing to address the Board is requested to provide their name or other identifier on the sign-in sheet available at the entrance to the room where the Board meeting is being held. If the Board meeting is being held remotely, please use the chat function to sign up.
- Any individual wishing to address the Board must sign up to do so *prior* to the call to order of the Board meeting. No requests to speak will be accepted after the meeting has begun.
- There will be a limit of ten (10) members of the public permitted to speak at any one Board meeting.
- Each person wishing to speak will be limited to three (3) minutes regardless of whether or not the permitted maximum of ten (10) people sign up to speak.
- Only the person who has signed up may speak and each person signed up to speak may speak only once at any one Board meeting.
- Members of the Board will respectfully listen to each public comment but shall not be obligated to respond in kind with questions, answers or other comments.
